

## CURRICULUM VITAE

NAME: NAWAL IBRAHIM

### PERSONAL INFORMATION

Date of birth: 28-01-2003

Gender: Female

Marital status: Single

Nationality: Tanzanian

### PROFESSIONAL SUMMARY

Junior Software Developer and Computer Engineering graduate with practical experience in full-stack, mobile, and backend application development. Experienced in Django, React.js, Flutter/Dart, RESTful APIs, PostgreSQL, SQLite, authentication and authorization, and cloud deployment. Also experienced in networking, IT infrastructure, and technical troubleshooting. Interested in building practical software solutions and applying AI/ML technologies to real-world problems.

### CAREER OBJECTIVE

To utilize and enhance my technical knowledge, professional skills and working capacity in a challenging technology environment while contributing to reliable, secure and efficient IT solutions. I am particularly interested in applying my Computer Engineering, software development, networking and IT infrastructure skills while continuously learning and contributing effectively to organizational goals.

### PERSONAL SKILLS

Hard working, determined, self-motivated, fast learner and able to work under minimum supervision, strong problem-solving, technical troubleshooting, teamwork, communication, adaptability, analytical thinking and attention to detail skills.

### TECHNICAL SKILLS

- Programming: Python, Java, Dart, JavaScript, SQL, HTML, CSS
- Web Development: React.js, Django, Django REST Framework, Responsive Web Development
- Mobile Development: Flutter, Dart, Android Development
- Backend & APIs: Django, Django REST Framework, RESTful API Development, Authentication & Authorization
- Databases: PostgreSQL, SQLite, Firebase
- AI & Machine Learning: Python, Scikit-learn, Pandas, NumPy, Machine Learning, Data Analysis, Recommendation Systems, Streamlit
- Tools & Platforms: Git, GitHub, Android Studio, VS Code, Postman, Jupyter Notebook
- Networking & Infrastructure: LAN/WAN, TCP/IP, IP Addressing, Subnetting, Routers, Switches, Firewalls, Network Troubleshooting, IT Infrastructure

### PROFESSIONAL EXPERIENCE

#### ❖ JUNIOR DEVELOPER — AMBWENE KONZO LIMITED || August 2024 – 2025

Worked as a Junior Developer from August 2024 to 2025 performing the following duties:

- Developed web applications using Django and Django REST Framework.

- Designed and integrated RESTful APIs, including authentication and authorization.
- Designed and managed PostgreSQL and SQLite databases and supported cloud deployment.
- Developed responsive frontend interfaces using React.js and integrated REST APIs.
- Developed cross-platform applications using Flutter and Dart for Android, iOS, Windows, macOS and Linux.
- Configured and administered LAN/WAN networks, routers and switches.
- Implemented IP addressing, subnetting, firewall configurations and network security practices.
- Troubleshoot connectivity and infrastructure issues to support reliable IT operations.

#### ❖ JUNIOR NETWORK ADMINISTRATOR — INFOSYS | August 2023 – October 2023

- Assisted in troubleshooting and resolving network issues to minimize downtime.
- Worked as a Junior Network Administrator from August 2023 to October 2023, performing the following duties:
- Collaborated with the IT team to implement network monitoring tools and improve network visibility.
- Participated in technical training to stay updated on networking technologies and best practices.

## EDUCATION & TRAINING

---

- ❖ **Bachelor of Computer Engineering** at Dar es Salaam Institute of Technology (DIT). 2022 - 2026, Dar es Salaam, Tanzania.
- ❖ **Certificate for Advance Secondary Education** at Bright Future Girls, **PCM**, 2020 - 2022, Dar es Salaam, Tanzania
- ❖ **Certificate for Secondary Education** at Kilimanjaro Islamic Secondary School, 2016-2019, Sakina kwa iddi – Arusha.
- ❖ **Eden Garden Education Trust Primary School**. 2009 -2015, Shanty Town – Kilimanjaro.

## SELECTED PROJECTS

---

- ❖ **SmartStudy — Educational Android Application** — Java | Android Studio | Firebase  
Educational application with notes, quizzes and flashcards.
- ❖ **Food & Fitness Recommendation System** — Python | Scikit-learn | Pandas | Streamlit  
Machine-learning recommendation application using food and fitness-related user inputs.
- ❖ **Nikkah Link** — Flutter | Django | PostgreSQL  
Full-stack application using Flutter with Django/PostgreSQL backend services.
- ❖ **Smart Market & Price Decision Support System** — Django | PostgreSQL | ML | USSD  
Decision-support system combining market data, analytics, price prediction/recommendation and USSD access.

## LANGUAGES

---

ENGLISH - Competent in speaking and writing.

KISWAHILI - Competent in speaking and writing.
